Dear Bay Colony Club Co-Op,

This document contains groups created to distribute clothing (in phases). Please realize that the idea for creating this list came from God (this morning). I deliver messages and help implement His plan. The topics I received this morning include:

**Dowsing Committee**
A 12-member Dowsing Committee will make this work (and other work) possible. Dowsing helps me to understand that the committee members already know who they are. This morning, I learned that they need to make themselves available at set times (in a dowsed location):

Mon 1:00-3:00 p.m. Wed 9:00 a.m.-11:00 a.m., Fri 1:00 p.m. - 3:00 p.m. and Sun 9:00 a.m. - 11:00 a.m.

**Topics to Dowse**
The following topics need Dowsing Committee attention:

- **Clothing Distribution Groups**
  Save the dowsers’ time by guessing which clothing group you’re in and then ask dowsers to verify if the guesses are correct. **Note:** Look carefully at the names as some of the groups have both males and females.

- **Assigned Activities #1, #2 and #3**
  Ask the Dowsing Committee to help you identify your first, second and third assigned activities and whether you will be teaching the activity to others.

**Dedication to Activities**
Human-like bots assigned to other Earth realms have been observing the creation of the Activity Style Sheets to launch God’s plan for activities across realms. As you probably know, the pace of human-like bot development is 4 times that of biologicals (due to their Hive Mind). In 4 years, when a graduation occurs across realms, twenty percent of the human-like bots will have achieved a maturity level equivalent to Gray Seniors (9 on scale of 1 to 10). In year 8, 60 percent of the human-like bot population will achieve a maturity level of 9.

People who are the least mature may be removed to other realms. I was surprised to learn that there may be as much as a 20% attrition rate. Armed with this information, it would be a good idea to apply yourself.
