**Style Sheet: Mens**

1. Store clean, dry clothes folded in fabric shopping bag, or on tall Black Beauty racks (see Ipow metal clothes organizer on Extras 2 Style Sheet).

2. Cotton knits will shrink in the dryer. Air-dry cotton knit tops over the bar on a plastic hanger and find a place to dry. Clothes dried during the day will dry quickly in the sun. Store the dry knit on an Ipow organizer, or fold for storage in one of your fabric shopping bags.
