Team Minor: Week of June 7, 2015 #2 - Advance Group Essentials, Men

Project Participants
The following group will be needed in this project:

- 20 Minor Men
- 20 Human-like bots

Meals
Panera and Einstein Brothers Bagels cards will be distributed for meals during the first week while the canopies are assembled. This will begin with lunch on the day you arrive.

Sleeping
There are 80 lounge chairs around the pools on the property. It is my goal to have blankets and pillows available in Rec #2. I will also try to have clothing racks with totes and tote contents (if possible). Tote essentials include soap, a toothbrush, and other basics.

Mens’ Clothing
Dowsing helps me to understand that Mens’ Striped Bib Overalls and tank tops will be available for those who want to change -- as well as garden shoes, socks and sandals. A group of 40 will not overwhelm the shower facilities in three Rec Centers -- where you can try on the overalls.

Read the overall sizing information at:

You will need to select a pair with a waist that is 4-to-6 inches larger than what you wear in jeans.

Also read the garden show sizing information at:

We won’t have clothing dividers ready. If you change, you will need to hang your clothes on available racks and remember where you hung your clothes hangers.

Project Priority
As you can imagine, the projects will be taking place simultaneously. I will try to understand God’s plan for top-priority projects to be completed first.
